

# *Ladies Union Aid Society, Inc.*

*243 Elm Street, Claremont, NH 03743*

Mission: To promote and advance the welfare of Valley Regional Hospital, including outreach programs within Sullivan County that will enhance the wellness of the citizens of our community.

Dear Community Member:

We invite you to become a member of the Ladies Union Aid Society, Inc., Valley Regional Hospital, Inc. Auxiliary (LUAS/VRH).

We hold two (2) membership meetings per year – one in the Spring and the other in the Fall, usually the third Wednesday of the month. These meetings are held in the Buckley Conference Room at Valley Regional Hospital. We try to keep meetings to one (1) hour. We hope you can attend the meetings; however, the meetings are not mandatory.

Your participation through the annual dues of \$10.00 for both active and inactive members and fundraising projects will be appreciated. Annual dues also help the Auxiliary cover administration expenses. Fundraising is pledged to cover needed hospital equipment or medical programs that will help our community.

We hope you will join LUAS/VRH Auxiliary. In these days of health care uncertainty, Valley Regional Hospital needs our time, talents and financial assistance to enable them to offer the community the best medical services. Please join us in our efforts. Complete the membership form and mail it along with your membership dues for the first year. Checks may be payable to LUAS.

Sincerely,

LUAS/VRH Auxiliary Board of Directors
